

Mentor Ministry Description

General Program Description

The Duke Youth Academy for Christian Formation (DYA) is a year-long program (one week of residency, one-year of online community engagement) sponsored by Duke Divinity School and generously funded by Lilly Endowment Inc., which provides each year the opportunity for 40 talented and passionate youth to pursue an intense journey of theological study and reflection. Through Christian practices of worship, prayer, hospitality, service, study and Sabbath rest, youth form habits and develop tools for theological reflection, ethical and moral decision-making, and discernment for Christian living. The Duke Youth Academy is open to youth from all Christian traditions who exhibit a love of learning and a desire for God. Students are eligible to apply during their 10th- or 11th-grade year for attendance during the summer before their junior or senior year of high school.

General Staff Information

The Duke Youth Academy believes in forming strong relationships each summer between the students involved in the program and their staff members. As a result, we hire approximately 15 staff each year to work with 40 students.

Staff members are expected to be present for the entirety of the Duke Youth Academy residency portion and engaged with the DYA community online throughout the year. While we recognize that our staff members are involved in families and ministries away from Duke's campus, we expect each person to make arrangements to give her/his full attention to the Duke Youth Academy Residency dates listed below:

- Pre-DYA Staff Preparation: June 19-20, 2020
- 2020 Duke Youth Academy Residency: June 21-27, 2020

Staff members are also encouraged to attend the 2020 Duke Youth Academy Alumni Celebration in June 2021.
